

# Create your own decoration for Eid!

**Make it festive and bright, then hang it up and celebrate!**

**Step 1:** Cut out the three shapes below along the dotted lines - these will be your stencils!

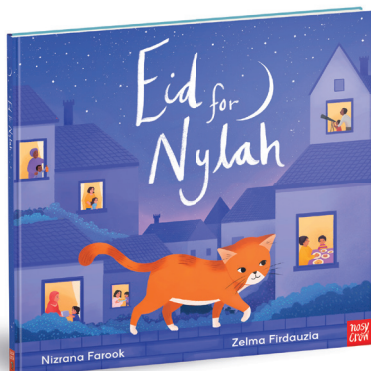

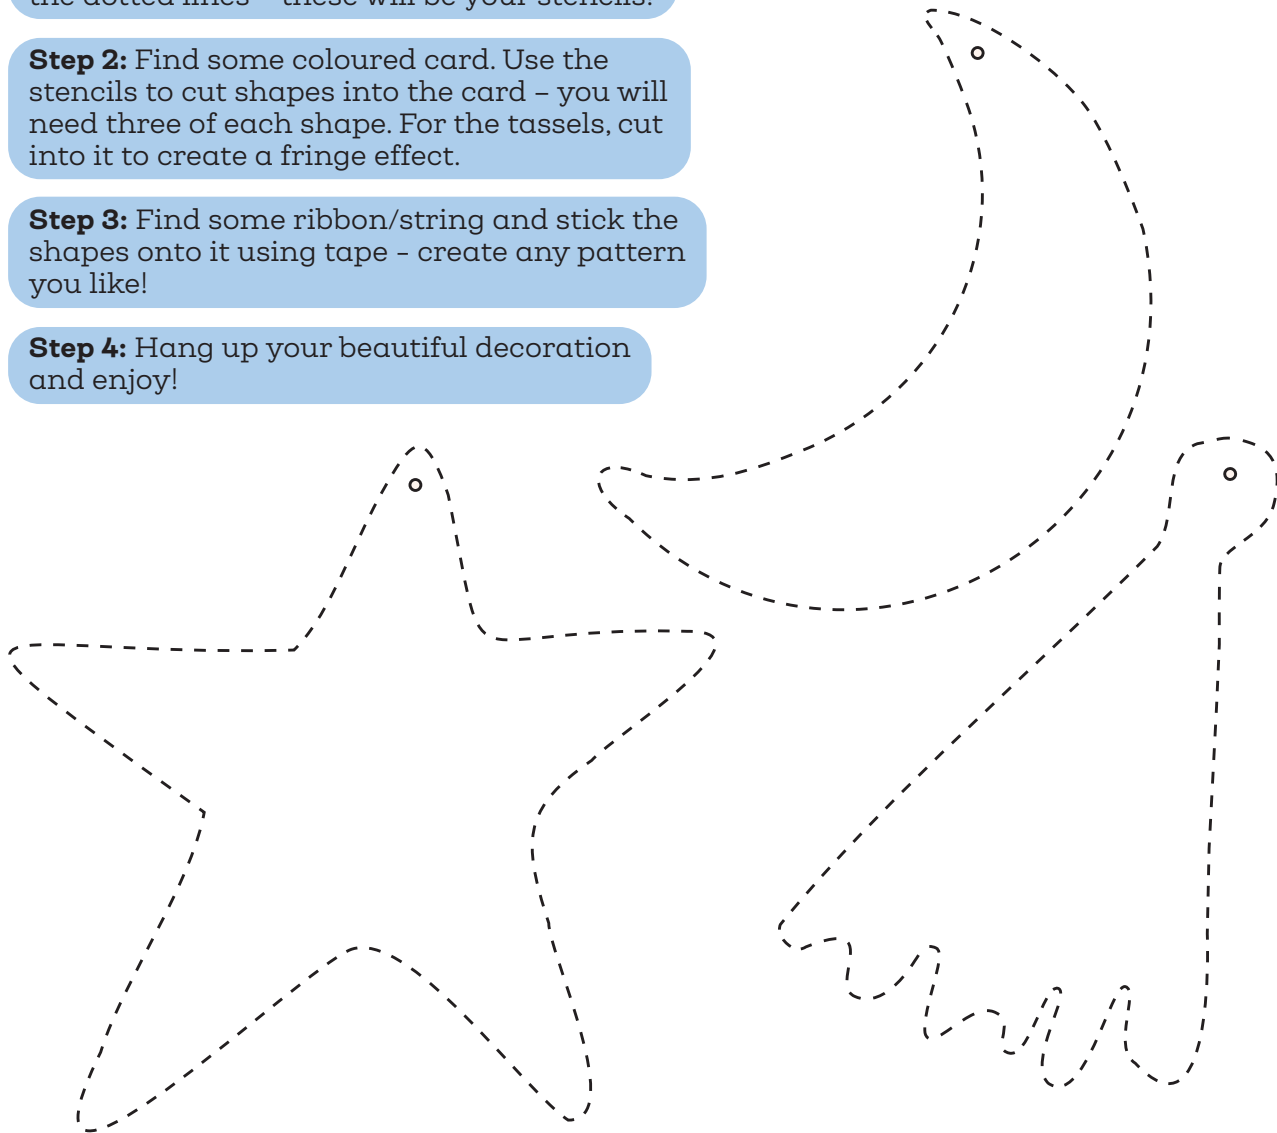

**Step 2:** Find some coloured card. Use the stencils to cut shapes into the card - you will need three of each shape. For the tassels, cut into it to create a fringe effect.

**Step 3:** Find some ribbon/string and stick the shapes onto it using tape - create any pattern you like!

**Step 4:** Hang up your beautiful decoration and enjoy!

For this craft, you will need:

- Scissors
- Sellotape
- A few pieces of coloured card
- Ribbon/string
